

Dear Member

The Fund's Death Benefit provides financial protection for your loved ones should you pass away while you are still employed and an active member of the Fund.

You can choose a level of death cover to suit your needs. The level of cover available depends on your age and when you joined the Fund. You can check your current level of cover on your Annual Member Benefit Statement, the Fund's secure website or the Verso mobile app.

Please also refer to the Member Newsletter: February 2026 for more information on the death benefit options available. This can be found on the website: News/Member news.
