

HR NEWSLETTER - IMPORTANT UPDATES

Please remember our Human Resources Newsletter has been drawn up specifically for staff who have been trained on Fund-related matters. We ask that you please inform the Fund of any changes in HR staff, so that we can ensure that the right people receive regular Fund updates.

Dear HR officer

Welcome to our first edition for 2016. We hope that the New Year brings with it more wonderful opportunities for us to partner with you to find new and innovative ways to reach our members.

TAXATION LAW AMENDMENT ACT

The year has started off with a bang as the Taxation Laws Amendment Bill, which was passed by the National Assembly on 26 November 2015 has now been signed by President Zuma and will come into effect on the 01 March 2016 (T-day). In this edition we aim to help you understand why T-day has received so much attention and how it affects our members.

Inaccurate information has caused unnecessary panic and we will help you dispel the myths, understand why T-day actually works to the benefit of members and explain why there is absolutely **no need to panic!**

ANNUAL BENEFIT STATEMENTS

The 2015 Benefit Statements have been distributed. They will provide members with a summary of their benefits, as at the end of the 2015 financial year (30 June 2015). It also included a blank nomination form, which members can use to update their beneficiaries and nominees. Members are also able to view their electronic benefit statements on the secure access section of the Fund's website www.cjpf.co.za if they are registered for this facility. Registration is as easy as obtaining the form from the website, completing and submitting it to the administrator. Members are encouraged to view their statements online as this will avoid any unnecessary delays due to the postal system.

Members are also reminded that they may view their latest member share values via the secure access section of the Fund's website.
