Dear Members and Pensioners

Your fund of choice, the LA Retirement Fund, has been helping local government permanent employees, contract and part-time employees such as yourselves save for the retirement they deserve for more than 70 years.

If you have any friends and colleagues who have recently been employed by local government and they are unsure about which fund they should join, why not advise them to visit www.laretirementfund.co.za to find out more about how and why they should join the LA Retirement Fund.

Did you know that our fund is open to councillors?

The local government elections on the 03 August 2016 will give many newly appointed or re-elected councillors the opportunity to choose their own fund membership. If you know of any such councillors, please advise them to visit www.laretirementfund.co.za to find out more about how and why they should join the LA Retirement Fund.

You have made the right choice, why not help them do the same!

Kind Regards
Ilse Hartlief
Principal Officer
