Dear HR Partner,

Explaining our enhanced benefits, addressing any concerns members may have and ensuring that our members understand how to make the most out of their benefits are just some of the reasons why we are excited to have some face-to-face interaction with our members.

The Fund has partnered with our communications service provider, Old Mutual Corporate, to engage with our members, but we need your help.

How can you help?

We are continuously looking to strengthen our relationship with yourself and our members, and to educate them on all the great benefits they have access to. In order for us to visit your Local Authority to host Member Education Sessions, we will need you to please contact us at LA RetirementFundCommunication@oldmutual.com to discuss a time and venue that will best suit you and our members.

Studies show that only 6% of South Africans retire in comfort, i.e. maintain their current lifestyle once they retire. You are in the fortunate position of being able to assist us in turning this statistic around by helping us educate our members to make informed decisions regarding their retirement savings

We want to hear from you

In the words of Henry Ford: "Coming together is the beginning; keeping together is progress; working together is success." Please work with us to help effectively reach more members by clicking here to let us have our feedback on the kind of topics/information you would like to receive from us.
