

LA RETIREMENT FUND AGM UPDATE

In light of the recent Coronavirus pandemic that has affected not only our country, but the world at large, we have had to rethink the way we host our 2020 Annual General Meeting on 29 May.

Although we are unable to gather physically we are committed to engaging with all our stakeholders, and as such, are pleased to confirm that we will be recording presentations by the Chairman of the Fund and various service providers. These recordings will be made available on our Fund's website and you will be able to provide feedback and pose any questions on our online blog on the day.

As we navigate our way through these unique circumstances, we look forward to interacting and engaging with you.

WHAT DO YOU NEED TO DO?

Watch out for our email that will be sent to you before 09:00 on the morning of the 29th of May and follow the easy instructions.

Stay safe!
