

Dear Pensioner

The Covid-19 pandemic has not only changed and reshaped every facet of our lives, it has also caused financial challenges for many people.

Your Annual In-Fund Living Annuity Statement was distributed on Friday 02 October. Please take the time to read your statement carefully as it provides you with an ideal opportunity to review and assess the health of your annuity.

During October, the Fund will also host its first online In-Fund living annuity workshop. This workshop aims to provide you with the opportunity to learn more, get more insight into draw down rates and ask any burning questions that you may have.

Don't miss out - watch this space for more details...
