

Dear Member

While 2020 was a very difficult year for everyone, it has certainly taught us that the people of South Africa are a lot stronger than we give ourselves credit for. In the midst of this pandemic, we rose above our circumstances and persevered through all the obstacles and challenges we faced.

We trust that 2021 will be a better year for all of us and that we will continue to use this new-found strength to improve our lives and impact the lives of those around us.
