

Dear Member

Information relating to the two-pot retirement system can be found on the Fund's website under "News / Two-Pot".

Click on this [link](#) to watch a short video which explains the two-pot retirement system.

We remind you about the two-pot retirement system Question & Answers (Q&A) booklet which was sent to members on 6 June 2024.

Further details on how to access your savings pot withdrawal will be communicated separately to you.

The Board of Trustees strongly discourages members from accessing money from their savings pot unless they face extraordinary circumstances, and they have no other resources at hand.

The Fund representatives have been visiting our members to discuss the Fund benefits and the two-pot retirement system. Please look out for communication via email, SMS and the Fund's Facebook page for the dates that we will be in your area.

We encourage you to attend these informative sessions to learn more about the Fund and how the two-pot retirement system affects you.
