

SECTION 37C

Video series

PART 1

Dear Member

We are pleased to introduce a new six-part video series to help you understand Section 37C of the Pension Funds Act – the law that governs how your retirement fund death benefit is distributed.

Each short video explains one key aspect of this important topic, from who qualifies as a dependant to how benefits are divided:

Video 1 - Today's video - *Who Gets The Money When I Die?*

Video 2 - To be released 23 October 2025 - *Who Is A Dependant?*

Video 3 - To be released 30 October 2025 - *Why Complete A Beneficiary Nomination Form?*

Video 4 - To be released 6 November 2025 - *What Is The Process?*

Video 5 - To be released 13 November 2025 - *What Factors Are Considered?*

Video 6 - To be released 20 November 2025 - *How Is The Money Divided?*

When a member passes away, the Fund's trustees must ensure that the death benefit is distributed fairly and lawfully - even if this differs from the will or the beneficiary nomination form.

Understanding Section 37C helps you protect your loved ones and make informed decisions about your Fund.
