TURNAROUND TIMES: TWO-POT SAVINGS WITHDRAWALS

Dear Member

Since the implementation of the Two-Pot Retirement System on 1 September 2024, and with industry-wide systems and processes now fully stabilised, processing efficiencies have improved considerably. The Fund is processing savings pot withdrawals in approximately 7 working days, which is in line with industry standards.

To ensure the speedy processing of your savings pot withdrawal, please ensure that you provide all the required information when you make the application on the **InTouch** by Verso mobile app.

For a complete guide to the Two-Pot Retirement System, please click [here](#).

The Board of Trustees cautions you from accessing money from your savings pot unless you face extraordinary circumstances and have no other available resources.
