

Dear Member

Your benefit statement is now available for you to download from the Fund's secure member portal on the Fund's website or the InTouch by Verso mobile app.

Please click ***here*** to register on the member portal. Please click ***here*** on how to download the mobile app.

Benefit statement

Your benefit statement is produced annually after the Fund's year-end and this gives you an opportunity to assess how on track you are with your retirement savings.

This is a very important document as it gives you details of the growth in your member share over the last year as well as information relating to risk benefits that you have selected.

The benefit statements have been produced as at 30 June 2026 or 31 July 2026. Therefore, details relating to the investment performance and values after these two dates, are not included in this benefit statement.

Video

We have made an explanatory video available on the Fund's website to guide you through your benefit statement. Please click ***here*** or go to Videos/Fund Videos. We encourage you to watch this video as it will help you to understand your benefit statement and your retirement savings better.

Nomination Form

Please remember to update your Fund Confidential Beneficiary Nomination Form and the Funeral Benefit Beneficiary Nomination Form and to always keep **both** nomination forms updated.
